

Pacman::IMenuListener

```
classDiagram
    class PacmanApplication["Pacman::Application"]
    class PacmanIMenuListener["Pacman::IMenuListener"]
    PacmanApplication --|> PacmanIMenuListener
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled "Pacman::Application". A blue arrow points upwards from this box to a gray box at the top labeled "Pacman::IMenuListener". This indicates that "Pacman::Application" inherits from or implements "Pacman::IMenuListener".

Pacman::Application
